EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Thomas E. Watson on 11/21/2008.

In claim 17, line 7, "digital communication link" was changed to --serial port--.

In claim 17, line 9, "receives" was changed to --retrieves--.

In claim 17, line 9, after "documents" add --in the memory--.

In claim 25, line 4, after "documents" add --via a telephone communication network--.

Reasons for Allowance

2. Claims 17-28 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding claim 17, the prior art reference Lemaire fails to teach an Electronic Document Answering machine which retrieves documents from remote sources and stores documents and the Electronic Document Answering Machine is adapted to communicate the stored documents to the PC for processing. There is no suggestion or motivation in the reference to combine with any other references to teach the limitation.

Regarding claim 25, the prior art references Lemaire and Clark fail to teach an Electronic Document Answering machine, which retrieves documents from remote sources and stores documents, having an LED apparatus for signaling a user that one or more new documents have been retrieved and stored and ready for review as well as an initializing input pushbutton having the LED integrated in the pushbutton. There is no suggestion or motivation in the references to combine with any other references to teach the limitation.

Since claims 17-24 and 26-28 are dependent claims, these claims are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should clearly labeled "Comments on Statement of Reasons for Allowance."
